**DAILY EMPIRE.**  
A LITTLE LIE IN THE FUTURE. The following is dedicated to young lovers:  
Well, let him go, or let him stay!  
I do not mean to die!  
I guess he'll find that I can live  
Without him, if I try!  
He thought to frighten me with frowns,  
A terrible and black-and-blue  
He'll stay away a thousand years  
Before I ask him back!  
He said that I had set my foot  
And foolishly beside!  
I won't forgive him after that!  
I wouldn't if I died!  
If I was wrong, what right had he  
To cross with me!  
I know I'm not an angel quite—  
I don't pretend to be.  
He had another sweetheart once,  
And now, when we fall out,  
He always says she was not cross,  
And that she didn't pout.  
It is enough to vex me!  
I wish that she was here!  
Well, I don't care for her!
